EHS & QUALITY POLICY

Environmental, Health & Safety Management System policy (URCC/TM/01)

URC Construction P Ltd is committed to operations and practices which prevent harm to people and damage to environment and property. EHS is an essential and integral part of each and every activity at URC Construction P Ltd. Therefore, all work shall be carried out with utmost care without compromising EHS under any circumstance.

The objective of the policy is achieved at all company's locations by:

- Complying with all applicable EHS regulations, standards and procedures and clients requirements.
- Providing a safe and healthy workplace for all its employees, including sub contractor's employees, through operational procedures, safe system and method of work.
- Optimizing resource utilization for protection of the environment including pollution prevention, energy conservation and reduction of waste.
- Penetrate workplace safety as an individual responsibility for all.
- Ensure providing health, safety & healthy work environment for prevention of injury and ill health with necessary systems.
- Reviewing performance for continual improvement.
- Promoting EHS awareness among all employees.
- Imparting training to operating personnel.
- Working safely and in an environmentally appropriate manner are conditions of employment.

Quality system Policy (URCC/TM/01A)

- Our long Experience and Expertise in industry is the striving factor of our company.
- We set and update the best operational procedures to get Quality of works in a safe environment at optimum cost.
- As a result of these consistent practices, we provide the value addition and perfection to our business

OTHER TERMS AND CONDITIONS OF PURCHASE ORDER

1) Order Acceptance:

In the absence of intimation to the contrary received of the office of the buyer within 10 days of the data of the of this order, it will be presumed that the seller has accepted the order with all its terms and conditions.

2) Price:

- a) The Price agreed shall include all packing and forwarding charges, unless otherwise stipulated specifically by the buyer.
- b) The Price once agreed shall not be altered for any reason whatsoever unless otherwise agreed upon in writing.

3) Delivery:

- a) Delivery shall be at the project site of the buyer or F.O.R. destination as the case may be, whether delivery by road or rail.
- b) Delivery Time is the essence of this contract, If the goods are not delivered within the time stipulated in accordance with the terms of the contract the seller shall be deemed to have committed breach of the contract.
- c) The goods shall remain at the risk of the seller full actual delivery made to the buyer.
- d) For no fault of ours if order is not executed as per terms, advance paid is refundable with interest @ 24%p.a.from date of advance till date of refund by DD

4) Insurance:

Will be done by the buyer unless otherwise specified.

5) Rejection & Replacement:

- a) Unless otherwise stipulated or agreed to, the buyer shall not be bound to accept delivery of the goods installment and is entitled to treat the contract as broken if the entire quantity ordered for is not delivered in one installment and forfeit whatever has been supplied.
- b) The good shall correspond to the quality and description specified in the order and where the order specifies the particular purpose for which the goods are ordered, the goods shall be of the quality and fitness for particular purpose.
- c) The buyer has the right to reject the goods which do not correspond with the description contained in the order or if the bulk does not correspond with the sample, or where the goods ordered for a specific purpose are not of the quality or are unfit for the purpose for which they are intended.
- d) Where the seller sends goods in excess of the quantity ordered for the buyer has the option to accept the quantity ordered for and reject the rest.
- e) Where the seller delivers goods lesser than the quantity ordered for the buyer can reject the goods offered for delivery and treat the contract as broken by the seller. But if buyer takes delivery of the quantity offered, it shall be deemed to be without prejudice to the right of the buyer to claim damages for non - delivery of the balance.
- f) Where the goods are rejected by the buyer, it is not obligatory on the part of the buyer to rebook the goods to the seller, intimation of rejection is sufficient. It is the responsibility of the seller to have the goods rebooked at his expense.

6) Payment:

- a) Delivery and payment shall be concurrent unless otherwise stipulated.
- b) The buyer shall have the right to weight the goods before taking delivery and shall be liable to pay only for the actual weight as per weighment at the destination and not as per weight mentioned in the invoice or waybill or Railway Receipt.

7) Force Majeure:

This order is subject to force majeure conditions on both sides as specified under the laws in force.
