QUALITY OF WORK	The Vendor is responsible for supplying the materials with a high degree of quality in accordance with the specifications and with the latest code of practice. Vendors should submit valid Warranty Certificates and manuals for each order along with the supply of materials. ii. The Vendor is responsible for repairing and maintaining the equipment in proper working conditions throughout the contract period, so as not to interrupt or disturb the work. To ensure the above, a minimum of two working days per month is required to perform maintenance on the equipment: the same will be intimated to L&T prior in writing. iii. Should major repairs be necessary, preventing the equipment to operate for a period longer than a maximum of five consecutive days, Vendor shall do the necessary to replace the equipment without affecting the project schedule. iv. Any defects, if noticed during threading of rebar or before shifting of threaded rebars from threading yard, all defective threaded rebars shall be reprocessed free of cost by Vendor. If couplers are found with manufacturing defects or damage, then all such supplies shall be rectified or replaced free of cost by Vendor. v. Any rejection intimation will be shared by L&T within the date of receipt of material at site. vi. Costs related to the initial connection static tensile testing and inspection required for qualification of the product shall be borne by Vendor. Static Tensile Test shall be conducted as per the BIS 16172:2014 Standards. One test shall be performed by the Vendor for each diameter of three connections. The necessary re-bars to prepare the testing samples shall be provided free of charge to Vendor by L&T / Client. For initial testing, laboratory testing fees, bar preparation costs and related couplers shall be borne by Vendor. The testing shall be carried out in a laboratory approved by LNT/Client. All costs related to any additional! testing if any (except initial PQ testing) as may be required by L&T / Client shall be discussed mutually. Low Cycle Fatigue, slip test, Cyclic tensile test, and High Cycle fatigue test report of last 3 years will be accepted. vii. L&T shall not allow Vendors to process the rebars from third parties. Vendor shall do the threading works exclusively for L&T Project site requirement. However, L&T shall allow processing of rebars from other nearby L&T sites. viii. All materials should be delivered with standard packing norms. If supplies made by Vendor are found to have manufacturing defect(s) or damage(s) during transit, then all such supplies shall be replaced free of cost by the VENDOR within maximum of (15) fifteen days following written receipt of intimation of rejection from L&T; any rejection intimation will be shared by L&T within 15 days of receipt of material at site.	
PRICE VARIATION	No price variation shall be entertained during the period of this Rate Contract. However, in case of any change in statutory levies such as GST shall be as applicable on the scheduled date of delivery. Price will remain fixed irrespective of change in models, star rating and other factors	
TAXES & DUTIES VARIATIONS	I. Price is exclusive of GST. The applicable CGST/SGST for intra-state supplies or IGST for inter- state supplies will be extra at actuals against the tax invoice. II. Vendor should facilitate the Purchaser to avail the input tax credit of tax paid by the Vendor under GST Acts by meeting the statutory compliance as prescribed under the law and in the event of any financial loss due to non-compliance by the Vendor, the said cost will be to the Vendor's account. III. Any change in law that results in imposition, abolition or amendment of taxes that result in increase or decrease in the price shall be immediately intimated to the Purchaser to enable the Purchaser to amend the order suitably. Vendor shall provide adequate documentary evidence of any such change to the Purchaser
